Spirit

Optical USB Notebook mouse with changing 7- color LED

The optical USB Notebook mouse Spirit from DICOTA unites functionality and appealing design. It has a unique feature - this mouse "shines" with a changing 7-color LED. In short intervals, the different colors are beamed through the transparent casing and make for a change in everyday business life. The rubber coating of this light-weight mouse allows for easy handling - especially in mobile use when on the go.
Surfaces are scanned precisely with 800 dpi, which allows for accurate operations with DICOTA Spirit. The three buttons including the scroll wheel contribute to the comfortable usage of this mouse. Thanks to Plug & Play, Spirit is operational in an instant.

Pronounced design, optical sensor with 800 dpi, 3 buttons incl. scroll wheel, Plug & Play. changing 7-color LED, rubber coating. retractable cable.
